

MySail Club Portal

Increase race & regatta participation at your Sailing Club or Association.

With the MySail Club Portal you can easily promote your races and regattas, and facilitate crew and yacht participation.

View and message crew who are interested to sail in your events, and access a list of attending yachts.

Want a comprehensive view of who's on the water? The MySail Club Portal provides access to this information in a way that's easy for crew, skippers and race organisers.

To get started with your free Club Portal, email us at hello@mysail.team.

Share Races & Regattas

Upload your races & regattas to share with members in their MySail app, publish on your website and promote on MySail's event search page.

View Interested Crew

View a list of crew who are interested to participate in your upcoming races and regattas, see their experience in their crew profile and easily connect using the messaging feature.

View Attending Yachts

View a list of yachts who are planning to attend your upcoming races and regattas, find out if they're looking for crew and view their crew list for the event.

View & Invite Members

View a list of MySail members who are connected to your club, and easily invite new member to join MySail from your Club Portal.

Message

Message members, yacht owners who are attending your events, and sailors who are interested to crew in your events. View, respond and track messages in one place.

Multiple Club Admins

Add multiple administrators to your Club Portal - everyone has access to the same information, so if one administrator is busy or away, someone else can step in.
